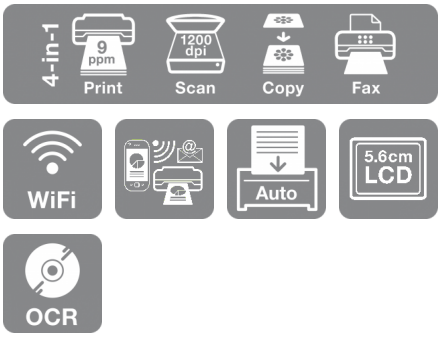
WorkForce WF-2630WF

DATASHEET



Home office users should look no further than this compact 4-in-1 for an affordable way to experience the benefits of inkjets for bigger businesses. The WF-2630WF has Wi-Fi connectivity with automatic set-up[1] and Wi-Fi Direct® for wireless printing without a network.

Convenient
A 30-page automatic document feeder for multi-page 1200dpi scanning, copying and faxing offers the ultimate in convenience. Wi-Fi, Wi-Fi Direct ensure flexible connectivity.

Low running costs
The WF-2630WF uses Epson's 16 series inks, which are available in a choice of standard or XL cartridges sizes to suit your specific printing needs. XL inks can help you to reduce your printing costs by up to 25%[2]. The use of individual ink cartridges means only the colour used will need to be replaced, further reducing costs.

Mobile printing
Epson Connect compatibility offers useful features like scan-to-cloud, email print and the Epson iPrint app[3]. The WF-2630WF is also compatible with Apple AirPrint[4] and Google Cloud print, letting you print seamlessly from smartphones and tablets.

Easy to use
Automatic Wi-Fi set-up[1] helps make connection a breeze, while a 5.6cm back-lit mono LCD screen makes navigation quick and simple.
